

Akatab - Design and Type Sample

Akatab ("writing") is designed to reflect a handwriting style and even the "writing in sand" effect.

Six weights for this typeface family are included:

- Akatab Regular
- Akatab Medium
- Akatab SemiBold
- Akatab Bold
- Akatab ExtraBold
- Akatab Black

The full range of weights is accessed in different ways depending on the application. See the [FAQ](#) for details.

Tifinagh:

This section demonstrates all of the Tifinagh Unicode characters in the font including those in a right-to left design. Alternate glyphs that are available through features are demonstrated in the [Features](#) document. At the end is a sample demonstrating Tifinagh shaping.
